REQUIREMENTS AND OPTIONS FOR A BACCALAUREATE DEGREE

Each student is responsible for proper completion of his or her academic program, for familiarity with the University of North Carolina Catalog, for maintaining the grade point average required, and for meeting all other degree requirements. The academic advisor will counsel, but the final responsibility for a successful college career rests with the student.

To earn a baccalaureate degree from the University of North Carolina at Pembroke, students must earn between 120 and 128 hours of course credit in a program of study that includes a Freshman Seminar (FRS 100), required of all freshmen during their first 15 hours, a General Education program of 44 hours, and at least one academic major.

UNC Pembroke operates on the traditional two-semester system and offers an extensive summer program designed to permit the academic acceleration of regular university students and to serve the needs of public school teachers. Summer Session is divided into two terms.

REQUIREMENTS FOR A MAJOR

A major is a planned program of study of between 30-50 semester hours of course credit, exclusive of courses applied to satisfy General Education requirements. At least 15 hours of credit must be in courses numbered above 2999.

Detailed requirements for majors have been established by each department and can be found in the sections of this catalog describing undergraduate programs of study in the College of Arts and Sciences, the School of Business, and the School of Education.

REQUIREMENTS FOR A DOUBLE MAJOR

A student may elect to earn majors in two separate disciplines on the condition that the student meets all requirements for each major. The student who completes requirements for more than one major will receive only one degree, but at the time of initial graduation, the record will indicate both majors.

REQUIREMENTS FOR A SECOND BACCALAUREATE DEGREE

A student with a bachelor’s degree may receive a second baccalaureate degree as long as the second degree is in a different major and by meeting the following requirements:

1. The student must meet all the requirements for the second degree and major.
2. The student must complete a minimum of 30 hours in residence beyond the requirement for the first degree. (A minimum of 150 hours is required.)
3. The student must meet with the major department chair to determine an individual education plan. This plan must be forwarded to the Registrar.

A student without a bachelor’s degree may receive two different baccalaureate degrees by fulfilling the following requirements:

1. The student must meet all the requirements for one degree (primary major).
2. The student must complete a minimum of 30 unduplicated hours in a different major and a different degree (secondary major). (A minimum of 150 hours is required.)
3. The student must meet with both major department chairs to determine an individual education plan. This plan must be forwarded to the Registrar.

NOTE: For students earning a baccalaureate degree other than their first, a 50% tuition surcharge shall be applied to all counted credit hours that exceed 110% percent of the minimum additional credit hours needed to earn the additional baccalaureate degree.
SPECIAL PROGRAMS AND INTERDISCIPLINARY PROGRAMS

Students earning a baccalaureate degree may take advantage of one or more special programs. Teacher Education and Health Professions Programs are described below. The Evening and Distance Programs are described under the School of Business. Aerospace Studies (Air Force ROTC) and Military Science (Army ROTC) are described under the School of Education. The following programs are described in detail under Special Programs and Interdisciplinary Majors and Minors.

### SPECIAL PROGRAMS and INTERDISCIPLINARY MAJORS and MINORS

- Maynor Honors College Program
- Bachelor of Interdisciplinary Studies Program
- Teaching Fellows Program
- College Opportunity Program
- Career Development Program
- Entrepreneurship Certificate Program
- American Studies Minor
- African American Studies Minor
- Applied Gerontology Minor
- Asian Studies Minor
- British Studies Minor
- Entrepreneurship Minor
- Gender Studies Minor
- Hispanic Studies Minor
- Jewish and Middle Eastern Studies Minor
- Media Integration Studies Minor
- Non-Profit Leadership Minor
- Personnel & Organizational Leadership Minor
- Substance Abuse Minor
- Terrorism Studies Minor
- World Studies Minor

### ACADEMIC AND PROFESSIONAL CONCENTRATIONS

In addition to majors and minors, a number of departments offer academic or professional concentrations. Any concentration requires at least 18 semester hours, depending on departmental requirements. A student must have a minimum cumulative GPA of 2.0 in academic and professional concentration courses to receive credit for the concentration. Teacher Education majors subject to The University of North Carolina requirement for completion of a concentration in a basic academic discipline may select one of these academic or professional concentrations to fulfill that requirement or may choose to earn a second major of 30 hours in Philosophy and Religion. Any student may elect to complete an academic or professional concentration in addition to a major. Students considering academic or professional concentrations should consult the appropriate academic department in the College of Arts and Sciences and School of Education sections.

### REQUIREMENTS FOR A MINOR

A recognized minor ordinarily consists of 18 to 21 semester hours of courses. With the approval of the department granting the minor, up to six hours of the courses counted toward a minor may be used to satisfy General Education, major requirements, or requirements of an additional minor. The award of a minor requires a minimum cumulative GPA of 2.0 in the minor and the formal approval of the department concerned. Successful completion of a minor will be noted on the student’s official transcript. Student participation in minor programs will be optional. For more information see departments in undergraduate programs sections or, for interdisciplinary minors, see Special Programs.
### ACADEMIC MINORS

### FRESHMAN SEMINAR

Coordinator: Elizabeth Froeba

FRS 1000 introduces students to UNCP and college life by covering such varied topics as success in academic courses and the possibilities and responsibilities of life on a college campus. The class will include discussions and activities about academic challenges, independence, time management, and becoming an integral part of the UNCP experience. If students have already declared a major, then they will be enrolled in an FRS 1000 course specifically tailored to the needs of that course of study; undeclared students will participate in FRS 1000 courses that will help them consider areas of possible interest and future plans. Students involved in a Living Learning Community will take the course together. This class is a gateway to the university that enables students to connect to faculty and academic services while also introducing strategies to be successful in college.

### COURSE (FRS)

**FRS 1000. Freshman Seminar**

General introduction to the academic substance, study methods, and special adjustment problems of university life. Conducted by faculty and staff from various departments. Required of all incoming freshmen during their first fifteen credit hours of course work at the University. Credit, 1 semester hour.
GENERAL EDUCATION PROGRAM

Graduation from The University of North Carolina at Pembroke is based on successful completion of General Education, which is required for all baccalaureate degrees, and upon successful completion of a specialized program for a major.

The University of North Carolina at Pembroke seeks to graduate students with broad vision, who are sensitive to values, who recognize the complexity of social problems, and who will be contributing citizens with an international perspective and an appreciation for achievements of diverse civilizations. In addition to meeting all major program requirements, students awarded baccalaureate degrees by The University of North Carolina at Pembroke are required to complete a 44-hour General Education program. The General Education program has been designed to provide students with an understanding of the fundamental principles and contributions of a variety of disciplines and to foster the ability to analyze and weigh evidence, exercise quantitative and scientific skills, make informed decisions, write and speak clearly, and think critically and creatively. To ensure that the goals and objectives are met, course substitutions are not allowed. The goals and objectives for the General Education Program are:

I. Skills

Communication—The UNCP graduate will communicate effectively in writing, speaking, and listening.

The student will
  o use written and oral language appropriate to various audiences and purposes;
  o develop logical arguments that are defended by supporting points, in part by locating material from appropriate sources and by correctly using and documenting those sources; and
  o listen to, understand, and evaluate the communication and communicative contexts of diverse speakers and writers.

Critical Thinking—The UNCP graduate will read and think critically.

The student will
  o distinguish between facts and opinions, judgments and inferences, inductive and deductive arguments, and reliable and invalid sources of information;
  o successfully apply critical reading skills to a wide range of materials; and
  o demonstrate the ability to apply critical thinking skills to the interpretation and analysis of information from a variety of sources.

Problem Solving—The UNCP graduate will be a creative problem solver.

The student will
  o identify and define a problem,
  o collect and organize information necessary to solve a problem,
  o select and conduct appropriate analysis to solve a problem, and
  o make decisions based on evidence and reasoning.

Mathematics—The UNCP graduate will use quantitative methods and mathematical principles to recognize and solve problems, interpret data, and perform basic computation.

The student will
  o express and manipulate mathematical information, concepts, and thoughts in verbal, numeric, graphical, and symbolic form while solving a variety of problems;
  o apply basic math principles to practical situations; and
  o be able to demonstrate mathematical literacy.

Technology—The UNCP graduate will understand the role of technology, have the skills necessary to use it, and be able to recognize and adapt to new technologies.

The student will
  o demonstrate knowledge of current/modern technologies,
  o use appropriate technology in the evaluation, analysis, and synthesis of information, and
  o collaborate with others using technology tools.
II. Knowledge

Arts, Literature, History, and Ideas—The UNCP graduate will demonstrate knowledge of, appreciation for, and understanding of contributions to society of the fine and performing arts, literary works, world civilizations and their histories, and philosophic and religious belief systems.

The student will

- recognize the contribution of the fine, performing, and literary arts to the human experience; identify the contributions of diverse artists; and evaluate the significance of their works;
- identify how historical forces influence current events; demonstrate an understanding of the historical context of contemporary issues; and identify one major historical trend in a major world region; and
- demonstrate knowledge of the religious traditions and philosophical ideas that have shaped individuals and societies.

Individual and Society—The UNCP graduate will demonstrate knowledge of human behavior, cultures, and societies, as well as social, political, and economic institutions and relationships.

The student will

- describe the methods used by social scientists to gather, analyze, and draw conclusions from data as they seek to understand individual and group behaviors;
- identify how the results of social science research is critical to an informed understanding of contemporary social issues; and
- apply social science principles and theories to understand significant American and world economic, cultural, political, and social phenomena and trends.

Science and Nature—The UNCP graduate will understand the fundamental principles of the natural sciences as well as the purpose, methods, and principles of scientific inquiry.

The student will

- describe the methods used by natural scientists to gather and critically evaluate data using the scientific method;
- identify and explain the basic concepts, terminology, and theories of the natural sciences;
- apply selected natural science concepts and theories to contemporary issues and acknowledge the developing nature of science; and
- demonstrate an understanding of how human activity affects the natural environment and make informed judgments about science-related topics and policies.

III. Dispositions

Lifelong Learning—The UNCP graduate will be aware of the importance of lifelong learning and demonstrate the skills necessary to support continued personal and professional growth after graduation.

The student will

- demonstrate an understanding of the importance of lifelong learning and personal flexibility to sustain personal and professional development;
- demonstrate the ability to access, select, and use information to answer questions relevant to personal and professional situations;
- take advantage of opportunities to continue learning in a variety of venues; and
- comprehend the changing nature of society and work and be able to cope with change through self-education.

Health and Wellness—The UNCP graduate will identify factors and know how to make choices that promote health, wellness, and longevity.

The student will

- assess current lifestyle behaviors and understand the impact of these behaviors on the quality and longevity of life;
- identify and analyze health-related choices such as movement, nutrition, stress, and leisure as they influence personal wellness; and
o explain how personal health and lifestyle choices affect society at large and how social and cultural factors affect personal health and lifestyle choices.

Social Responsibility—The UNCP graduate will have an understanding of civic duty and a concern for the well-being of individuals, society, and the environment.

The student will
o demonstrate global awareness, environmental sensitivity, and an appreciation of cultural diversity and
o prepare for citizenship by identifying personal, social, and political avenues for civic action.

Diversity—The UNCP graduate will demonstrate knowledge of and respect for the rights and views of diverse individuals and cultures.

The student will
o analyze similarities and differences between his/her own and other cultures that affect values, beliefs, and behaviors;
o discuss cultural strengths and important contributions made to society by individuals from diverse groups;
o discuss the benefits of diversity for individuals, groups, and institutions; and
o define prejudice and discrimination; explain their consequences; and identify ways to reduce them.

Values and Ethics—the UNCP graduate will be able to make informed choices in the light of ethical, moral, and practical concerns; assess the consequences of those choices; and understand alternative perspectives.

The student will
o distinguish fact from value and explain how values influence decision-making.
o acknowledge a plurality of cultural and personal values and demonstrate respect for the right of others to express different viewpoints, and
o analyze and evaluate the strengths and weaknesses of different perspectives on an ethical issue, take a position on this issue, and defend it with logical arguments.

GENERAL EDUCATION REQUIREMENTS (44 Hours Total)

For some majors, certain courses may count toward both General Education and Major requirements. Some courses have prerequisites. As noted above, course substitutions are not allowed. Ask your advisor for assistance in selecting appropriate courses.

I. Communication Skills (6 or 9 hours)

ENG 1050  Composition I
ENG 1060  Composition II

A full-time student must enroll in ENG 1050, Composition I, immediately and must earn a “C” (2.0) grade or better before enrolling in ENG 1060, Composition II. A student must remain continuously enrolled in ENG 1050 and 1060 until he or she has earned a “C” (2.0) grade or better in ENG 1060.

All entering freshmen and all freshmen transfers must complete the ENG 1050 and 1060 sequence successfully before they earn a total of 60 credit hours. All students who transfer with 30 credits or more must complete ENG 1060 during their first 30 semester hours at UNCP. Students who have not completed their composition courses at the end of the allotted time will no longer be permitted to register for 3000 or 4000 level courses. If they attempt to do so, the registrar’s office will cancel their registration and require them to register only for courses below the 3000 level until they receive a “C” (2.0) in ENG 1060. (The Enrollment Management Subcommittee of the Faculty Senate, or in emergencies the Assistant Vice Chancellor for Academic Affairs, will consider exceptional cases.)

SPE 1020 Fundamentals of Voice and Diction.

All entering freshmen are required to take this course unless they test out of it. Upon earning 60 hours, a student must either have satisfied the speech requirement through testing, have taken SPE 1020, or be registered for SPE 1020 in the following semester.
II. Academic Content and Skills
   A. Arts and Humanities Division (12 hours): Choose one course from each of these four areas:
      (1) Fine Arts
          ART 1450 Digital Arts Appreciation
          ART 2050 Art Appreciation
          ART 2080 Survey of Art I
          ART 2090 Survey of Art II
          THE 2500 Introduction to Theatre
          MUS 1020 Introduction to Music Appreciation
          MUS 1040 Introduction to Jazz Appreciation
          MUS 2940 The World of Music: Antiquity to the Baroque Era
          MUS 2980 History of Musical Theatre
      (2) Literature (completion of ENG 1050 and 1060 with a 2.0 is prerequisite for these courses)
          ENG 2010 Southern Literature
          ENG 2020 Contemporary Literature
          ENG 2030 Literary Genres
          ENG 2050 World Literature Before 1660
          ENG 2060 World Literature After 1660
          ENG 2080 Women’s Literature
          ENG 2090 Literature and Film
          ENG 2100 African American Literature
          ENG 2180 Asian American Literature
          ENG 2190 Latino Literature
          ENG (AIS) 2200 Native American Literature
          ENG 2230 American Literature Before 1865
          ENG 2240 American Literature After 1865
          ENG (AIS) 2410 Environmental Literature
          ENG 2470 British Literature Before 1790
          ENG 2480 British Literature After 1790
      (3) History
          HST 1010 American Civilization to 1877
          HST 1020 American Civilization since 1877
          HST (AIS) 1100 History of the American Indian to 1865
          HST (AIS) 1110 History of the American Indian since 1865
          HST 1140 World Civilizations to 1500
          HST 1150 World Civilizations since 1500
      (4) Philosophy and Religion
          PHI 1000 Introduction to Philosophy
          PHI 1010 Logic
          PHI 2040 Introduction to Ethics
          PHI 2070 Contemporary Moral Issues
          REL 1080 Introduction to Religious Thought
          REL 1300 Introduction to Religion
   B. Social Science Division (9 hours): Choose one course from each of three of five areas:
      (1) Economics
          ECN 1000 Economics of Social Issues
          ECN 2020 Principles of Microeconomics
          ECN 2030 Principles of Macroeconomics
          ECN 2410 Asian Economies
(2) Geography
   GGY 1010 Principles of Geography
   GGY 1020 World Regional Geography
   GGY 2000 Cultural Geography
   GGY (ECN) 2060 Economic Geography

(3) Political Science
   PLS 1000 Introduction to Political Science
   PLS 1010 Introduction to American National Government

(4) Psychology
   PSY 1010 Introductory Psychology

(5) Sociology
   SOC 1020 Introduction to Sociology
   SOC (AIS) 1050 Introduction to Cultural Anthropology
   SOC 2090 Social Problems in Modern Society

Maynor Honors College students only may substitute for courses in two disciplines:
   HON 1000 Contemporary Public Issues
   HON 2750 The Individual in Society

C. Natural Sciences and Mathematics Division (9 hours)

Natural Science (6 hours); choose one course from two (2) of the four (4) areas. Students selecting Physical Science 1100 must select the other course from either Biology/Env. Science or Earth Science.

(1) Biology and Environmental Science
   BIO 1000 Principles of Biology
   BIO 1030 Basic Human Biology
   BIO 1060 Exploring Life’s Diversity
   ENV 1100 Environmental Science

(2) Chemistry
   CHM 1300 General Chemistry I
   CHM 1400 Chemistry for Health Sciences I

(3) Earth Science
   GLY (GGY) 1150 Earth Science
   GLY (GGY, PHS) 2460 Weather and Climate

(4) Physical Science
   PHS 1100 Physical Science I
   PHS 1560 Astronomy
   PHY 1000 Elementary Physics I
   PHY 1500 College Physics I
   PHY 2000 University Physics I

Maynor Honors College students only may fulfill one natural science course requirement with:
   HON 1510 Contemporary Issues in Science and Technology

Mathematics (3 hours); choose one course from those listed below
   MAT 1050 Introduction to College Mathematics
   MAT 1070 College Algebra
   MAT 1080 Plane Trigonometry
   MAT 1090 College Algebra and Trigonometry
   MAT 2150 Calculus with Applications
   MAT 2210 Calculus I

III. Physical Education and Wellness (2 hours)
Choose two of the following courses:
   PED 1010 Wellness and Fitness
   PED 1300 Fitness Walking
Undergraduate Academic Programs

PED 1310 Archery
PED 1320 Badminton
PED 1330 Golf
PED 1340 Swimming
PED 1350 Tennis
PED 1360 Soccer
PED 1370 Bowling
PED 1380 Rhythms & Dance
PED 1390 Racquetball
PED 1410 Physical Conditioning
PED 1450 Volleyball
PED 1460 Weight Training
PED 1770 Advanced Physical Conditioning (Aimed at Varsity Athletes)
PED 1790 Aerobic Dance
PED (MSC) 1800 Military Physical Training
PED (THE) 1810 Stage Dance I
PED (THE) 1820 Stage Dance II
PED 1900 Outdoor Fitness
PED 1910 Indoor Cycling
PED 1950 Water Aerobics

IV. General Education Program Electives (6 hours, or 3 hours if SPE 1020 required)

Choose two additional courses from those listed below. These two courses must be from different divisions except for the foreign language option. Students who take SPE 1020 for Basic Skills take 3 hours of electives, which may not be SPE 2000 or SPE 2010.

**Foreign Language Option**

Students electing the foreign language option MUST complete two courses of the same foreign language to satisfy the Program Electives area of General Education.

- FRH 1310, 1320 Elementary French
- FRH 2310, 2320 Intermediate French
- GER 1310, 1320 Elementary German
- GER 2310, 2320 Intermediate German
- ITL 1310, 1320 Elementary Italian
- SPN 1310, 1320 Elementary Spanish
- SPN 2310, 232 Intermediate Spanish
- XXX 131, 1320 Introductory Foreign Language Study
- XXX 2310, 2320 Intermediate Foreign Language Study

**Arts and Humanities Division Elective**

**American Indian Studies**

- AIS 1010 Introduction to American Indian Studies

**Fine Arts**

- ART 1010 Elements of Design
- ART 1450 Digital Arts Appreciation
- ART 2050 Art Appreciation
- ART 2080 Survey of Art I
- ART 2090 Survey of Art II
- ART 2560 Web Design
- ARTS 1xxx Special Topics in Art
- THE 2010 Elements of Acting
- THE 2500 Introduction to Theater
- MUS 1020 Introduction to Music Appreciation
- MUS 1040 Introduction to Jazz Appreciation
MUS 2930 The World of Music: Classical to the Contemporary Era
MUS 2980 History of Musical Theatre

**Literature and Speech** (a 2.0 in ENG 105 and 106 is prerequisite for the ENG courses)
- ENG 2010 Southern Literature
- ENG 2020 Contemporary Literature
- ENG 2030 Literary Genres
- ENG 2050 World Literature Before 1660
- ENG 2060 World Literature After 1660
- ENG 2080 Women's Literature
- ENG 2090 Literature and Film
- ENG 2100 African American Literature
- ENG 2180 Asian American Literature
- ENG 2190 Latino Literature
- ENG (AIS) 2200 Native American Literature
- ENG 2230 American Literature Before 1865
- ENG 2240 American Literature After 1865
- ENG (AIS) 2410 Environmental Literature
- ENG 2470 British Literature Before 1790
- ENG 2480 British Literature After 1790
- ENGS 2xxx Studies in Literature
- SPE 2000 Interpersonal Communication
- SPE 2010 Fundamentals of Speech

**History**
- HST 1010 American Civilization to 1877
- HST 1020 American Civilization since 1877
- HST (AIS) 1100 History of the American Indian to 1865
- HST (AIS) 1110 History of the American Indian since 1865
- HST 1140 World Civilizations to 1500
- HST 1150 World Civilizations since 1500

**Philosophy and Religion**
- AIS 2010 American Indian Culture
- PHI 1000 Introduction to Philosophy
- PHI 1010 Logic
- PHI (REL) 1020 Perspectives on Humanity
- PHI 2040 Introduction to Ethics
- PHI 2050 Social and Political Philosophy
- PHI 2070 Contemporary Moral Issues
- PHI 2110 American Philosophy
- REL 1050 Introduction to the Old Testament
- REL 1060 Introduction to the New Testament
- REL 1080 Introduction to Religious Thought
- REL 1300 Introduction to Religion
- REL 2050 Religion, Art, and Culture
- REL 2090 Religion in America
- REL (AIS) 2130 American Indian Religious Traditions
- REL 2140 Introduction to Religious Ethics

MAT 2100 Introduction to Statistics
MAT 2150 Calculus with Applications
MAT 2210 Calculus I
MAT 2220 Calculus II

THE WRITING INTENSIVE PROGRAM

The Writing Intensive Program is an initiative of the UNC Pembroke Quality Enhancement Plan. The goal of the program is to enhance the ability of students to write effectively and appropriately in both general writing and professional writing in their disciplines. The program consists of Writing Enriched courses and Writing in the Discipline courses. Writing Enriched courses are 2000- and 3000-level courses in which writing supplements the coverage of course content. They include extensive and intensive instruction in writing. Writing in the Discipline courses are 3000- and 4000-level courses that are designed to teach students about the roles and uses of writing in their fields of study. As a requirement for graduation, students must complete nine semester credit hours of Writing Enriched and Writing in the Discipline courses. One course must be a Writing in the Discipline course.

The courses listed below are approved to be offered as Writing Enriched or Writing in the Discipline courses. When these courses appear with the designation WE (Writing Enriched) or WD (Writing in the Discipline) in the title of the course in the course schedule, they can be taken to satisfy the writing intensive graduation requirement. The completion of ENG 1050 is a prerequisite for all Writing Enriched or Writing in the Discipline courses.

ART 2080 Survey of Art I: Ancient through Medieval—Writing Enriched
ART 2090 Survey of Art II: Renaissance through Contemporary—Writing Enriched
AST 2010 Introduction to American Studies—Writing Enriched
ATH 4000 Clinical Education V—Writing in the Discipline
ATH 4050 Organization and Administration of Athletic Training—Writing Enriched

SWK 3910  Social Work Research—Writing Enriched
THE 2500  Introduction to Theatre—Writing Enriched
The Esther G. Maynor Honors College recognizes and promotes the scholarly and personal growth of outstanding students. Maynor Honors College students are provided interdisciplinary educational opportunities that enhance the general curriculum. These opportunities are developed around a learning community of honors students and include selected general education courses, small interdisciplinary seminars, cultural and service programs, and shared residential facilities with other honors students. The Maynor Honors College offers an intellectually stimulating social environment; greater curricular flexibility; more personal contact and scholarly discussion with students and faculty from the various disciplines; and closer interaction with individual faculty members in the College.

Maynor Honors College students are selected on the basis of class rank, high school grades, Scholastic Aptitude Test (SAT) scores or American College Testing (ACT) scores, and extra-curricular and community achievements. Students already enrolled at UNC Pembroke and transfer students are also eligible to apply for admission to the Maynor Honors College. Maynor Honors College students are selected by the Dean of the Maynor Honors College in consultation with the Honors College Council.

To remain in the Maynor Honors College, students are required to achieve and maintain a minimum overall quality-point average of 3.0 upon completion of the freshman year, 3.25 upon completion of the sophomore year, and 3.5 upon completion of the junior year. Maynor Honors College students will receive a Maynor Honors College diploma and will be recognized at commencement. To graduate with the Maynor Honors College designation, the student must complete the Maynor Honors College program. Any exceptions or substitution of requirements will be determined by the Dean of the Maynor Honors College in consultation with the Honors College Council.

Two tracks are available for graduation from the Maynor Honors College

University Honors

*Take four HON (interdisciplinary) courses
*Take at least four general education honors courses
*Achieve at least a 3.5 QPA overall
*Complete HON 4000 and HON 4500
*Successfully complete and present a Senior Project under the guidance of a mentor

The Senior Project can be one of four possibilities.

1) Community Service Project. This project involves a student’s active participation in a focused project involving service to the community. The student must complete either the Horizon Leadership Program or the Distinguished Leader program, both administered through the Leadership and Service Opportunities Office. The Service Project will be supervised by a UNCP faculty member. During the senior year, the student will schedule an oral presentation, the purpose of which will be to describe the development, implementation, and outcomes of the Community Service Project. The faculty mentor and the Dean of the Honors College will approve the successful completion of the project.

2) Campus Dialogue Project. This project asks the student to become an active participant in campus-wide dialogue about a specific issue, usually relative to the student’s major. The student will work with a faculty mentor to research the topic. During the senior year, the student must organize and facilitate (in consultation with the mentor and Honors College Dean) at least two campus dialogues on the topic. These dialogues should involve faculty and students from a variety of disciplines. The faculty mentor and the Dean of the Honors College will approve the successful completion of the project.
3) Creative Project. Students choosing this option will work with a faculty mentor to develop the project. During the senior year, the student will display or perform his or her art and then provide an oral description/interpretation of the work. The faculty mentor and the Dean of the Honors College will approve the successful completion of the project.

4) Senior Thesis Project. The Senior Thesis is a written research project completed under the direction of a faculty mentor. Guidelines are available in the Honors College Office. The thesis is completed during the senior year, and the student must also schedule an oral presentation/defense of the thesis. The faculty mentor and the Dean of the Honors College will approve the successful completion of the thesis.

**Departmental Honors**

- Take four HON (interdisciplinary) courses
- Achieve at least a 3.5 QPA overall
- Complete two Honors Contract Courses in upper level major courses
- Complete HON 4000 and 4500
- Successfully complete and present a Senior Thesis

**Description of Contract Courses:**

Contract courses require work that is above and beyond the normal expectations of the course. Contract courses must be taught by tenured or tenure-track members of the major department. The student and faculty will agree upon the requirements for completing the contract course, fill out the appropriate paperwork (available online), and obtain the signature of the department chair. The contract and accompanying syllabus will be turned in to the Dean of the Honors College for final approval.

The Senior Thesis is a written research project completed under the direction of a faculty mentor. Guidelines are available in the Honors College Office. The thesis is completed during the senior year, and the student must also schedule an oral presentation/defense of the thesis. The faculty mentor and the Dean of the Honors College will approve the successful completion of the thesis.

**Both University and Departmental Honors**

- Take four HON (interdisciplinary) courses
- Take at least four general education honors courses
- Complete two Honors Contract Courses in upper level major courses
- Achieve at least a 3.5 QPA overall
- Complete HON 4000 and HON 4500
- Successfully complete and present a Senior Project (service, dialogue, or creative)
- Successfully complete and present a Senior Thesis

It is possible, though not necessary, that the Senior Project and Senior Thesis are developed from the same research. Students must consult with the Honors College Dean to coordinate the successful completion of both University and Departmental Honors. Those selecting option four for University Honors must also complete option one, two, or three to receive both University Honors and Departmental Honors.

Maynor Honors College students will take several courses together during the freshman year prior to beginning their major coursework. These courses include several general education courses as well as one interdisciplinary seminar. Students with special scheduling needs as freshmen may petition the Dean of the Maynor Honors College for alternate courses of study during the first semester. All Maynor Honors College students are advised by the Dean of the Maynor Honors College until they declare a major field of study.

The seven HON seminars are usually offered according to the following schedule:

- **Fall:** HON 1000, 1500, 2000; Spring: HON 1510, 2010, 2750; As Announced: HON 3000
- **Transfer students and students entering the Maynor Honors College as other than freshmen will also be expected to take the four honors seminars, as long as they can be fitted into the student’s program of study. The number of honors courses that transfer students or non-freshmen will be required to take will be determined by the Dean of the Maynor Honors College, after consultation with the student and the Honors College Council.**
Honors Thesis/Project: All University Honors College students must complete HON 4000 (Research Methods and Prospectus [one semester hour]) and HON 4500 (Honors Thesis/Project [three semester hours]) prior to graduation. Maynor Honors College students who elect to complete a senior Thesis/Project in their major department may substitute an equivalent departmental course for HON 4500. The departmental Thesis/Project must meet the standards for the Honors Thesis/Project established by the Honors College Council. The Honors College Council and the Dean of the Maynor Honors College recommend that HON 4000 should be taken during the fall semester of the junior year. University Honors College students should plan on presenting their Thesis/Project at the end of the fall semester of the senior year. Requirements and procedures for the Maynor Honors College Thesis/Project are outlined in The Preparation of the Maynor Honors College Thesis/Project. Copies of this guide are available from the Dean of the Maynor Honors College.

COURSES (HON)

HON 1000. Contemporary Public Issues
Analysis of selected contemporary events from the points of view of history, political science, psychology, geography, economics, philosophy, religion, and sociology, in the light of weekly world developments. Emphasis upon the appreciation and development of logic and style in critical thought in considering international and domestic conflicts, human rights and institutional effectiveness, freedom and responsibility, and resources, technology, and the environment. Credit, 3 semester hours. Honors students receive General Education credit for a course in the Social Sciences Division.

HON 1510. Contemporary Issues in Science and Technology
An interdisciplinary examination of scientific and technological issues of current global significance. The scientific principles relating to each topic will be examined, followed by analysis of management possibilities and problems, technological applications, and implications for society. Where appropriate, laboratory experiences (both on and off campus) will be involved which expose the student to relevant techniques and methodology. Credit, 3 semester hours. Honors students receive General Education credit for a course in the Physical Science area of the Natural Sciences and Mathematics Division.

HON 2000. The Humanistic Tradition I: From the Ancient World to 1500
An interdisciplinary seminar in humanities that surveys, within historical and cultural contexts, a selection of works of art, architecture, literature, music, and philosophy. Honors 2000 focuses on significant cultural legacies from the beginnings of human cultures to 1500. Credit, 3 semester hours. Honors students receive General Education credit for a course in the Divisional Electives area of Humanities.

HON 2010. The Humanistic Tradition II: From 1500 to the Contemporary Age
An interdisciplinary seminar in humanities that surveys, within historical and cultural contexts, a selection of works of art, architecture, literature, music, film, and philosophy. Honors 2010 focuses on significant cultural legacies from the last 500 years. Credit, 3 semester hours. Honors students receive General Education credit for a course in the Divisional Electives area of Humanities.

HON 2510. Horizons in Math and Computer Science
Current approaches to mathematical modeling, data acquisition, and data analysis with respect to natural systems, emphasizing microcomputer applications to scientific problems. Students will gain experience in the use of available computational resources, including commercial software, microcomputers, and mainframe facilities. Credit, 3 semester hours. Honors students receive General Education credit for a course in the Divisional Electives area of Natural Sciences and Mathematics.

HON 2750. The Individual in Society
Recent topics concerning advances in the study of human behavior are examined within a seminar format. Relevant readings are assigned on brain/behavior connections, social roles, and theories of personality. Class presentations and discussion form a major portion of the course. Honors students receive General Education credit for a course in the Social Sciences Division.
**HON 3000. Cultures in Contact**
This course is designed to introduce students to a specific world culture through a variety of methods. The readings will include sociological, economic, historical, and fictional accounts of this country. The objective is to learn about another culture while also learning how to approach the study of and engagement with that culture. There will also be a travel component to provide for first-hand engagement with the culture studied. Credit, 3 semester hours.

**HON 4000. Research Methods and Prospectus**
Preparation of a prospectus for the thesis or project, in consultation with an advisor. Group discussion on the methodology, standards, and experience of research and criticism. Pass/Fail grading. Credit, 1 semester hour.

**HON 4500. Honors Thesis/Project**
Preparation of a thesis or project in consultation with a faculty committee chosen by the student; presentation of the work in seminar. Independent study in the student’s major is encouraged. Credit, 3 semester hours.

**HON 4990. Honors Independent Study**
Open to Honors College students to pursue supervised independent innovative learning. Independent study may include laboratory research, study abroad, or mentored independent projects. Requires written permission of the proposed mentor and the Honors College Dean. Credit, 1 - 3 semester hours. May be repeated for a total of 6 hours in no more than two semesters.

**BACHELOR OF INTERDISCIPLINARY STUDIES PROGRAM**
Director: James W. Robinson
Associate Director: Victor Bahhouth

**INTERDISCIPLINARY STUDIES COUNCIL**
Alfred Bryant  Jamie Litry  Enrique J. Porrúa
Jeremy Sellers  John E. Spillan  Dennis Sigmon
Charles Tita  Chris Ziemnowicz

The Bachelor of Interdisciplinary Studies (BIS) program is exclusively designed for learners with at least two years of transferable credit from institutions other than UNCP, who hold either Associate in Applied Arts or Associate in Applied Science degrees. The program serves adult students, in particular, who seek a broad, more flexible degree program to help them to advance or become more established in their careers or to improve their understanding of the world around them.

The BIS is intended for a set of diverse students who bring to the university many academic, personal, and work-related experiences. They may choose the BIS program because (1) they are aware that they are more employable in many occupations with the degree, (2) that learning in the arts and sciences and in a field of specialization leads to understanding and empowerment, and (3) they review their personal plans and recognize that they can effectively meet their most important goals for a bachelor’s degree through the BIS.

**BIS Completion Requirements**
The Bachelor of Interdisciplinary Studies degree requires that a student:
1. Hold an Associate in Applied Arts or an Associate in Applied Science degree from a two year institution upon program admission.
2. Meet The University of North Carolina at Pembroke’s general education core requirements.
3. Complete a course of study in a specific Interdisciplinary Studies Major with an earned average grade point of 2.0 or better for the courses taken. At least 25 per cent of the total credit requirements for any particular Interdisciplinary Studies Major must be taken from one or more Academic Departments at The University of North Carolina at Pembroke.
The University of North Carolina at Pembroke

38

Academic Programs

(UNCP). Only 60 credit hours may be transferred from two-year institutions (including
30 hours credit awarded for completion of Applied Associate degree from such institution).
The number of credit hours permitted from any department, school, or college of UNCP
will be restricted by discipline specific accreditation standards.

4. Transfer or take a balance of elective or support courses to meet the total credit requirements
of any particular Interdisciplinary Studies Major.

5. Complete all other requirements for baccalaureate graduation at The University of North
Carolina at Pembroke.

6. Two thirds of all Major and Track courses taken toward the BIS degree must be from
UNCP.

7. College credit in lieu of lifelong learning/experiential learning will not be granted.

B.I.S. IN APPLIED PROFESSIONAL STUDIES

The Bachelor of Interdisciplinary Studies in Applied Professional Studies prepares graduates with
core competencies necessary for successful careers in for-profit business. Combined with solid training
in communication and writing skills, these competencies include basic understandings of economics,
finance, statistics, decision sciences, management, and marketing. Beyond these core competencies,
students receive training in one of six areas of specialization: Advertising, Allied Health Leadership,
Economic Development, Financial Administration, Health Promotion, or Office Administration.

Similar to other majors within the Bachelor of Interdisciplinary Studies Degree program, the
BIS in Applied Professional Studies is intended for those interested in obtaining a highly relevant and
practical degree that provides advancement opportunities in their current employment, and for those
who are starting or interested in changing their professional careers. The program of study for the BIS
in Applied Professional Studies consists of five components: General Education Requirements (44
hours); Core Requirements (21 hours), Track Requirements (15 hours), 30 hours upon verification of
the student’s holding an Applied Associate Degree, and Electives (10 hours).

B.I.S. IN APPLIED INFORMATION TECHNOLOGY

The Bachelor of Interdisciplinary Studies in Applied Information Technology builds upon computer programming skills as core requirements, and augments such proficiencies with management of information technology and communication skills. Courses in decision sciences such as operations management, statistics, and project management enhance these skills. Graduates will be ready for a variety of practical careers requiring application of computers and computing/statistical skills to managerial decision-making. The program of study for the BIS in Applied Information Technology consists of five components: General Education Requirements (44 hours); Core Requirements (27 hours); Track Requirements (18 hours); 30 hours upon verification of the student's holding an Applied Associate Degree; and Electives (3 hours).

B.I.S. IN CRIMINAL JUSTICE

The Bachelor of Interdisciplinary Studies in Criminal Justice prepares graduates for a variety of criminal justice careers, including traditional police, courts, and corrections jobs in the public sector and ever expanding opportunities in the private sector. This major gives students an overall understanding of the organization and administration of the American criminal justice system and an academic concentration to enhance specific knowledge and skills in one of three areas: Applied Information Technology, Forensics, or Sociology. The program of study for the BIS in Criminal Justice consists of four components: General Education Requirements (44 hours); Core Requirements (27 hours); Track Requirements (24 hours for Applied Information Technology, 26 hours for Forensics, or 24 hours for Sociology); and 30 hours upon verification of the student's holding an Applied Associate Degree.

3 additional hours of courses with a CRJ prefix or cross-listed with CRJ

### Tracks (Choose one of the three tracks below):

#### Applied Information Technology:

- DSC 2090 Spreadsheet and Database Management
- MGT 3060 Organization and Management
- MGT 3090 Organizational Leadership
- ITM 3010 Management Information Systems
- ITM 3500 Database Management Systems
- ITM 4400 Project Management
- ITM 4600 Systems Security, Reliability, & Privacy

#### Forensics:

- BIO 3180 Principles of Genetics
- BIO 3710 Cell Biology
- BIOL 1000 Principles of Biology Lab
- BTEC 3220 Biotechnology I
- CHM 1100 & 1110 General Chemistry Laboratory I & II
- CHM 2500 Organic Chemistry I
- CHM 3110/3120 Biochemistry I & Experimental Methods in Biochemistry
- MAT 1070 College Algebra

(Additional Recommended Courses: BIO 1020 General Zoology and CHM 2270 Analytical Chemistry)

#### Sociology:

- SOC 2090 Social Problems in Modern Society
- SOC 3210 Social Inequalities
- SOC/CRJ 3680 Law and Society
- SOC/CRJ 4400 Conflict Management

12 additional hours at the 3000-4000 level of courses with a SOC prefix or cross-listed with SOC

### Validation of Applied Associate Degree

**B.I.S. IN HOSPITALITY**

The Bachelor of Interdisciplinary Studies in Hospitality prepares students for a variety of rewarding careers in the growing hospitality industry. Equipped with entrepreneurial skills in addition to management, marketing, and strong communication proficiencies, graduates will be well-positioned for employment at managerial ranks in resorts and spas as well as restaurant and hotels. The program of study for the BIS in Hospitality consists of five components: General Education Requirements (44 hours), Core Requirements (30 hours), Track Requirements (16 hours), and 30 hours upon verification of the student's holding an Applied Associate Degree.

**Requirements for a Bachelor of Interdisciplinary Studies Degree:**

**Major in Hospitality**

**General Education Requirements**, including:  
ECN 1000 Economics of Social Issues  
ENG 1050 Composition I  
ENG 1060 Composition II  
PSY 1010 General Psychology  
MAT 2100 Statistics I  

**Core Requirements:**  
ENG 3580 Professional Writing  
ENTR 2000 Innovation  
ENTR 2100 Growth and Sustainability  
FIN 3000 Finance of Small and Entrepreneurial Businesses  
MGT 3060 Organization and Management  
MGT 4080 Human Resource Management  
MKT 3120 Principles of Marketing  
MKT 4300 Integrated Marketing Communications  
PSY 2700 Industrial/Organizational Psychology  
SPE 2000 Interpersonal Communication  

**Track:**  
Resort, Hotel and Restaurant Administration  
ENTR 4000 Planning and Strategy  
HLTH 2060 Nutrition  
MKT 4200 Personal Selling and Sales Management  
REC 4400 Tourism and Commercial Recreation  
SOC 4250 Organizations in Society  
SOC 4400 Conflict Management  

**Validation of Applied Associate Degree**

**B.I.S. IN PUBLIC AND NON-PROFIT ADMINISTRATION**

The Bachelor of Interdisciplinary Studies in Public and Non-Profit Administration prepares graduates for a variety of careers in local, state, and national government and a variety of not-for-profit organizations, like social service agencies, hospitals, schools, religious organizations, and philanthropic foundations. This major gives students an overall understanding of the organization and administration of public and non-profit organizations and their relations with other local, state, national, and international entities. Beyond this foundation, students may craft a specialization to fit their future career goals or choose to receive training in one of five pre-set areas of specialization: Allied Health Administration, Communication, Financial Administration, Public Management, or Spanish. The program of study for the BIS in Public and Non-Profit Administration consists of five components: General Education Requirements (44 hours); Core Requirements (24 hours); Track Requirements (18 hours for General, Accountancy, Communication, or Spanish; 15 hours for Public
Management); 30 hours upon verification of the student's holding an Applied Associate Degree; and 4 to 7 hours for Electives.

TEACHER EDUCATION PROGRAMS

The University offers teacher licensure programs through the School of Education and secondary licensure programs through departments in the College of Arts and Sciences.

For a description of the Teacher Education program and its requirements and policies, see the School of Education section.

The Teacher Education Program at UNCP is a cross-disciplinary program, governed by the Teacher Education Committee and administered by the Dean of the School of Education. General information about admission to the Teacher Education Program, policies and procedures, licensure and testing requirements, special programs, and resources appears in the School of Education section of this catalog. Please note that some licensure areas or majors are housed in the School of Education and some are housed in their respective academic departments in the College of Arts and Sciences. If you are looking for information about a specific program area, refer to the chart below to find out where it is housed and the name of the program coordinator.

SPECIAL PROGRAMS AND INTERDISCIPLINARY PROGRAMS

TEACHING FELLOWS PROGRAM

Director: Karen Granger

The University of North Carolina at Pembroke is one of the seventeen institutions participating in the North Carolina Teaching Fellows Program. The Program is funded by the State of North Carolina to attract the “best and brightest” students to the teaching profession. High school students apply to the Teaching Fellows Program in the fall of the senior year. Following a state-wide selection process, four hundred Teaching Fellows are selected annually by the North Carolina Teaching Fellows Commission. Each Teaching Fellow receives a $26,000 scholarship ($6500/year for four years) and is required to teach in North Carolina for at least four years.

Teaching Fellows choosing to attend UNC Pembroke participate in an academically and culturally enriched teacher education program. Entering Teaching Fellows participate in a summer orientation program designed to introduce students to the teaching profession and acquaint them with the
University, faculty, staff, administrators, and fellow students. Teaching Fellows enroll in a special section of the required Freshman Seminar course (FRS 1000) taught by the Teaching Fellows Program Director. The students also enroll in a special section of English 1050: Composition I taught by the English Department.

Throughout their program of study at UNCP, Teaching Fellows participate in monthly seminars on topics including cultural diversity, leadership development, and other issues of importance to future teachers. The seminars are led by faculty, area educators, and leaders from the public and private sectors. Teaching Fellows work closely with select faculty mentors on research and special projects.

Educational and recreational field trips provide Teaching Fellows the opportunity for personal and professional development. Special social events are scheduled each semester. Teaching Fellows participate in activities coordinated by the Public School Forum during the summers following their freshman, sophomore, and junior years.

Additional information on the program is available from the Teaching Fellows Program Office.

**COLLEGE OPPORTUNITY PROGRAM**

Director: Deana Johnson
Robin L. Snead

The College Opportunity Program (COP) is designed to admit a limited number of students who meet most, but not all, of The University of North Carolina at Pembroke’s regular admission standards. Students are selected on the basis of high school academic record, scholastic standing in the high school graduating class, and SAT or ACT scores. The application for admission should be filed as early as possible.

Students enter the College Opportunity Program based on recommendations from the Office of Undergraduate Admissions, and students enroll in courses designed to develop academic skills which will be necessary for their success at UNC Pembroke. In the Fall and Spring Semesters, the student is allowed to register for 15-17 hours of academic courses. In addition, students meet regularly with the COP advisors for academic counseling as well as participate in special programs throughout the academic year.

Students who meet the University’s academic eligibility requirements and have successfully completed the College Opportunity Program (made a “C” or higher in ENG 0104, FRS 1000, ENG 1050, and ENG 1060) then continue at the University as other regularly admitted students.

**CAREER DEVELOPMENT PROGRAM**

Director: Karen Pruett

This program, offered by the Career Center, is designed for students at all academic levels and in all majors. The purpose of the program is to assist students in developing the skills required for successful, lifelong career planning.

**COURSE (CAR)**

**CAR 1010. Introduction to Career Development**

Students are exposed to all aspects of the career planning process, including self-assessment, decision-making related to choosing a major and identifying related career options, goal setting, career and job research, and job search tools and strategies. Credit, 2 semester hours.

**ENTREPRENEURSHIP CERTIFICATE PROGRAM**

Director: Michael Menefee

The Entrepreneurship Certificate Program (ECP) provides UNCP students in good standing from all majors the opportunity to learn how to start and manage their own businesses. The ECP consists of five courses (15 hours) in a 2-2-1 format. The first course (ENTR 2000) in the program covers business start-ups. The second course (ENTR 2100) covers business sustainability. The next two designated courses are from the major field of the student, of 3000 or higher level, with departmental approval and determined before the student matriculates in this program. The last course
(ENTR 4000) helps the student create a comprehensive business plan. An entrepreneurship certificate will be granted after the successful completion of the program provided the student has a “C” average in the major courses and a “C” average in the Entrepreneurship courses.

**INTERDISCIPLINARY MAJORS AND MINORS**

**SCIENCE EDUCATION MAJOR**

Coordinator: Mary C. Ash

Several interdisciplinary programs prepare science educators to teach middle school (6-9) or high school (9-12) science. See the Department of Biology section for descriptions of the programs of study for the B.S. in Science Education (6-9) and the B.S. in Science Education (9-12).

**AFRICAN AMERICAN STUDIES MINOR**

Coordinator: Frederick H. Stephens

The Departments of Social Work, English and Theatre, Geology and Geography, History, and Political Science offer a multidisciplinary minor in African American Studies. This program is designed to introduce the student to the knowledge base of African American contributions to American society and to provide a theoretical approach to understanding African American culture. The student interested in this multidisciplinary minor will have the opportunity to conduct research in areas of African American Studies.

*Permission of the African American Studies Coordinator is required before any topics course may be used to meet the requirements for the minor in African American Studies.
AMERICAN STUDIES MINOR
Coordinator: Ryan K. Anderson

American Studies is an academic discipline concerned with the diversity of the American experience; it is a liberal arts program designed to provide students with an opportunity for multidisciplinary study of the culture of the United States through a variety of perspectives, including history, art, music, literature, film, ethnic studies, and gender studies. Having a cultural studies focus, the program examines America through forms of expression and through its major social, economic, and political structures, both in the past and the present.

See the Department of History for a complete description of this program.

APPLIED GERONTOLOGY MINOR
Coordinators: Stephen M. Marson with the assistance of David Dran

The Programs in Biology; Nursing; Health, Physical Education, and Recreation; Sociology; and Social Work offer an interdisciplinary Minor in Applied Gerontology. The Minor is designed to enhance the student's knowledge base in gerontology for both personal growth and professional advancement. The Minor offers the student understanding of causal linkages between the changes in biological functioning and their psychosocial adaptations. The Minor also addresses the manner in which one can effectively deal with the changes of aging while still maintaining a productive life. Any course that is offered by the Southeastern Gerontology Consortium [SGC] is automatically approved for the Minor. For more information about the SGC, see www.uncp.edu/gerontology.

In order to successfully complete the Minor in Applied Gerontology, the student is required to enroll in a field practicum within his/her major. The internship must be completed under the auspices of an institution or agency whose primary function is related to the elderly population.

Requirements for an Applied Gerontology Minor
Select 17 hours from the following: BIO 1030 or PED 3490 (3), SWK 2700 (2), NUR 3300 (3), PSY 3050 (3), REC 4250 (3), SWK 3700 (3), SOC 3750 (3), SWK 3840 (3), and any course with the GERS designation sponsored by the Southeastern Gerontology Consortium

Complete a field practicum in an agency that serves the elderly population

Total: 17

ASIAN STUDIES MINOR
Coordinator: Annika A. Culver

The Asian Studies minor satisfies a demand for more knowledge of Asia, a region with growing importance in global business, international politics, and world environmental issues. As an interdisciplinary program, it enhances the portfolio of UNCP graduates as they enter the increasingly competitive workplace where nuanced and informed decision-making is key in a globally diverse and complex society.

See the Department of History for a complete description of this program.

BRITISH STUDIES MINOR
Coordinator: Charles Beem

The Departments of History; English and Theatre; and Philosophy and Religion offer a minor in British Studies. This program is designed to provide an interdisciplinary curriculum for History majors pursuing an emphasis in British history and English majors specializing in British literature, to broaden their understanding of the cultural, social, and political evolution of Great Britain.

See the Department of History for a complete description of this program.
ENTREPRENEURSHIP MINOR  
Coordinator: Michael Menefee

The minor in entrepreneurship provides students the opportunity to learn how to start and manage their own businesses. The minor consists of six courses (18 hours). The first two courses in the minor cover business start-up (ENTR 2000) and sustainability (ENTR 2100). The next three courses focus on marketing (MKT 3120), finance (FIN 3000), and law (BLAW 2150). The last course (ENTR 4000) in strategy helps the student create a comprehensive business plan.

Requirements for an Entrepreneurship Minor  
Sem. Hrs.
Required Courses: ENTR 2000, 2100, 4000, BLAW 2150, MKT 3120, FIN 3000 18  
Total: 18

GENDER STUDIES MINOR  
Coordinators: E. Brooke Kelly and Rasby Marlene Powell

See the Department of Sociology and Criminal Justice for a description of this interdisciplinary program.

HISPANIC STUDIES MINOR  
Coordinator: Enrique J. Porrúa

The Departments of American Indian Studies, English and Theater, Foreign Languages, History, Political Science, Social Work, and Sociology and Criminal Justice offer a minor in Hispanic Studies. This program is designed to provide an interdisciplinary curriculum for students pursuing a better understanding of the cultural, linguistic, social, and historical aspects of the Spanish-speaking world.

Requirements for a Minor in Hispanic Studies  
Sem. Hrs.
Core Requirements 6
SPN 2310 and 2320

- Foreign Languages: SPNS xxxx (when offered as Islamic Cultural Heritage in Spain)

Total: 18

MEDIA INTEGRATION STUDIES MINOR

Coordinator: John Antoine Labadie

Media Integration Studies (MIS) is an opportunity for interdisciplinary study in digital studios within three academic departments: Art, Mass Communication, and Music. Projects and assignments emphasize various aspects of applied information technologies (IT) often termed multimedia. Instruction in the use of both hardware and software emphasizes the following areas: still digital image-making, digital photography, computer-based printing, digital audio recording and editing, MIDI (Musical Instrument Digital Interface), digital animation, and digital videography and editing. Additional courses for the MIS minor are offered by the departments of English, Philosophy, and Sociology and Criminal Justice. Students involved in the MIS minor thus have the opportunity to study, across six academic departments, both the practice of multimedia as well as the effects of such media on the individual, on society, and in the arts.

Requirements for a Media Integration Studies Minor

- Required Courses: ART 1450, ART/BRD/MUS 3800, 4580, 4800
- Electives: Choose 2 courses from PHI 1020, MCM 2100, SOC 2220, ENG 2900, ART 2500, BRD 2800, MUS 3580

Total: 18

NON-PROFIT LEADERSHIP MINOR

Coordinator: James W. Robinson

The interdisciplinary Non-Profit Leadership Minor offers an innovative curriculum that prepares students for service in the non-profit sector. This minor provides coursework and experiential training to position students to be effective 21st-century non-profit leaders in either paid or volunteer capacities.

Requirements for a Minor in Non-Profit Leadership

- Required Courses: MGT 3060, MGT 3090, SOC 4180, SOC 4420, SOC 4850 or MGT 4800
- Elective Courses: select 3 hours from the following list if SOC 4850 is taken or 6 hours if MGT 4800 is taken:
  - MGT 4070, MKT 3120, MCM 2100, PRE 2200, PRE 3500, SOC 2090, SOC 4250, or CRJ/SOC 4400

Total: 21
PERSONNEL AND ORGANIZATIONAL LEADERSHIP MINOR
Coordinator: Ed Powers

The Departments of Psychology and Political Science and the School of Business offer an interdepartmental minor in Personnel and Organizational Leadership. This program is designed to provide the following competencies: 1) a theoretical understanding of the basic psychological processes that operate in work settings; 2) skill in establishing rapport with co-workers; 3) skill in assessing the qualifications and performance of others; 4) skill in managing and training others; and 5) a theoretical understanding of organizational structure and the forces that influence it.

Students majoring in any subject are eligible to participate in the Personnel and Organizational Leadership minor. Those who are interested should consult with the department chair from Psychology or Political Science or Marketing, Management, and International Business. Since many courses in the minor have prerequisites that can be taken to meet General Education requirements, early planning will be to the student’s advantage.

Requirements for a Minor in Personnel and Organizational Leadership

Sem Hrs.

Psychology: select 3 courses from the following
PSY 2160, 3160, 3170, 4030, 4150 9

Management/Administration: select 3 courses from the following
MGT 3060, 3090, 4080, 4660; ECN 4070; PLS 2100, 3190, 3600 9

Total: 18

A particular course cannot be used to satisfy the requirements of both a major and a minor at the same time.

SUBSTANCE ABUSE MINOR
Coordinator: Sherry Edwards

A 20-21 semester hour undergraduate minor in substance abuse is available to undergraduate students from any major. Students interested in obtaining jobs in substance abuse will find that completion of this minor will enhance their marketability with regard to entry-level jobs. Further, for those students interested in working toward North Carolina Substance Abuse Certification, the Coordinators will provide guidance and assistance that will facilitate the achievement of Certification in North Carolina.

Requirements for A Minor in Substance Abuse

Sem. Hrs.

Required Courses: SAB/CRJ 2830 or SWK 3800, SAB 3770, SAB 4550, SOC 3780 or SAB 4610 12

Elective Courses: Select 8-9 hours from the following:
CRJ/SOC 3670, CRJ/SWK 3500, SAB/SWK 2700, SOC 2090, SOC 3030, SOC/SWK 2450, SOC 3790 8-9

Total: 20-21

COURSES (SAB)

SAB 2700. Medical Terminology (SWK 2700)
Students are introduced to the most frequently used medical terms and abbreviations. Intended primarily for students in social behavioral science curricula who seek careers in medical organizations. Credit, 2 semester hours.

SAB 2830. Interviewing Skills (CRJ 2830)
This course teaches practical skills and the theories behind them for interviewing and recording of interviews in legally and emotionally sensitive areas, such as knowledge about criminal conduct and victimization, child, domestic and substance abuse. Systems theory is applied to the selection of
techniques to be used in different interviewing circumstances, recognizing such critical status distinctions as victim, witness, or suspect. The course employs lecture, discussion, readings, interviewing assignments, simulations, role-playing, audio-visual taping, and documentation exercises. Credit, 3 semester hours.

**SAB 3770. Drug Use and Abuse (HLTH 3770)**
A study of the types and functions of pharmaceutical treatments. Drug addiction is analyzed as a social, psychological, and biological process. Credit, 3 semester hours. Prerequisite: SOC 2010 or permission of instructor.

**SAB 4550. Treatment of Alcohol and Drug Addiction (SWK 4550)**
Substance abuse treatment and rehabilitation involving individual clients, families, and groups is addressed. Modalities of treatment, treatment planning, case management, and managed care in addictions are also addressed. Credit, 3 semester hours.

**SAB 4610. Addiction and Women (SOC 4610)**
An analysis of women's experiences of addiction, the societal response to female addiction, and the treatment resources and services that are needed to prevent and treat female addiction. Topics covered include the centrality of relationships in women's lives, sexual abuse and addiction, addiction and traditional gender roles, and parenting issues for substance abusing women. Credit, 3 semester hours.

**TERRORISM STUDIES MINOR**
Coordinator: Robert McDonnell

The minor in terrorism studies is designed to accommodate the student who is majoring in criminal justice, political science, religion, or some other discipline and is interested in pursuing a career in law enforcement, corrections, law, and/or government. It provides the student an interdisciplinary approach within the social sciences and addresses the unique challenges presented by terrorism and its impact on our national security and the political world. The program examines how this phenomenon impacts democratic societies and the geo-political environment in the face of an unparalleled threat environment.

**Requirements for a Minor in Terrorism Studies**

**Core Courses:** CRJ 2010, CRJ 4200, PLS 4170

**Electives:** select three of the following courses: CRJ 4210, CRJ 4220, CRJ 4230, REL/PLS 3025, REL 3280, PLS 4190

Total: 18

**WORLD STUDIES MINOR**
Coordinator: Elizabeth Normandy

Eighteen semester hours are required for the satisfactory completion of the minor in World Studies. Courses that fulfill the requirements of the student's major area of study cannot be applied toward this minor. The minor is divided into specified and elective courses.

**Requirements for a Minor in World Studies**

**World Studies:** select two courses from WLS 2000, 2510, and 4500

**Elective Courses:** select four with coordinator (see below)

Total: 18

**COURSES (WLS)**

**WLS 1000, 1010, 1020, 1030. University Convocation Program**
The World Studies Committee offers four one-hour courses to encourage student attendance at campus lectures and cultural events. Each course is given on a Pass/Fail basis. To receive credit, students must attend ten events which have been approved by the World Studies Committee. Credit, 1 semester hour.
WLS 1500. Introduction to International and Intercultural Relations
This course is an academic and cultural introduction to the US system of higher education and the similarities and contrasts with other countries. Topics include the responsibilities of being good global citizens and adjustment issues in university life in the US and abroad. This course will prepare international or study abroad students for academic life in the US/foreign university and help develop the necessary skills to become successful global citizens. Credit, 1-3 semester hours.

Concept of culture applied to the human environment. Geographical variations and evolution resulting from the interaction between cultural and physical processes. Culture and technological change. Population and migration. Cultural effects on perception of the environment. Credit, 3 semester hours.

WLS 2100. Multicultural Center Internship
This internship will provide students with a deeper understanding of cultural relations and the administration of a cultural center. Students may be assigned research on a cultural topic and will be required to submit papers as well as prepare a related exhibit for public display. Credit, 3 semester hours. PREREQ: Approval of World Studies Minor Coordinator and the Director of the Multicultural Center.

WLS 2510. Introduction to World Politics (PSPA 2510)
This course gives students a basic understanding of the major issues and aspects of world politics. It includes an overview of trends in world politics in the twenty-first century, considers the relevant global actors, explores the relevance of non-state actors, and focuses on the increasing importance of issues relating to global welfare. A central premise is that world politics is a combination of political, historical, economic, and sociological factors which are not static. Credit, 3 semester hours. PRE-REQ: PSPA 1000 or 1010.

WLS 2990. Study Abroad
Students who successfully study abroad for a trip lasting a minimum of one week in a University-approved program will be required to prepare a substantive report regarding their experiences while abroad or report on a particular point of interest they may have researched while in a foreign country. Credit, 3 semester hours. Course may be repeated once for a maximum of 6 semester hours. PRE-REQ: Approval of the Office of International Programs.

WLS 3200. Service Internship
This internship is designed to provide credit for those students (especially volunteers) who provide service to other cultures abroad, but could also be applied to service to groups of foreigners domestically. Students will be required to submit a substantive report regarding this experience. Credit, 3 semester hours. Course may be repeated once for a maximum of 6 semester hours. PREREQ: Approval of the Office of International Programs.

WLS 4500. Seminar in International and Intercultural Relations
Research seminar to gain experience in formulating, designing, and implementing meaningful research projects in international and intercultural relations. A substantial paper will be prepared by the student and presented to the Seminar and World Studies faculty. Credit, 3 semester hours. PREREQ: Approval of World Studies Minor Coordinator.

ELECTIVE COURSES (Select four)
Courses must be selected by the student, approved by the Coordinator, and noted in the minor advisement file of the student. A minimum of 12 unduplicated semester hours will be chosen. Participating departments include:

- Biology
- Management, Marketing, and International Business
- Geology and Geography (Geography)
- Foreign Languages
- History
- Philosophy and Religion
- Political Science
- Sociology and Criminal Justice
HEALTH PROFESSIONS PROGRAMS

In addition to the Bachelor of Science in Nursing, described in the College of Arts and Sciences section, the Departments of Biology and Chemistry and Physics provide curricula which meet the requirements for admission into most schools of medicine, dentistry, veterinary science, and medical technology. In addition, students wishing to pursue a degree in a variety of other health related professions such as pharmacy, optometry, physical therapy, etc., can obtain some of the required college preparation (generally two years) at UNC Pembroke prior to transfer to the appropriate professional school. In each case, admission to the professional school is competitive, and completion of the prescribed curriculum at UNCP does not guarantee such admission. Because entrance requirements vary with the profession and with individual schools, it is the responsibility of the student to be familiar with the requirements of the specific school to which he or she plans to apply. Advice or assistance can be obtained from the Health Careers Counselor, or from any biology or chemistry faculty member.

PREPROFESSIONAL CURRICULA IN MEDICINE

Although a B.S. degree is technically not a prerequisite for these programs, the large majority of students who apply and are accepted do hold an undergraduate degree. It is therefore recommended that students interested in these areas pursue a B.S. degree. The Departments of Biology and Chemistry and Physics offer B.S. programs with biomedical emphasis that enable a student to meet requirements for most professional schools. These programs are detailed in the program descriptions of the Departments of Biology and Chemistry and Physics.
