Program Description
The thirty-nine (39) semester hour Master of School Administration is designed to prepare administrative leaders for the system of elementary, middle, and high schools. The Master of School Administration leads to licensure in school administration.

The conceptual framework of this program is built around the NC Standards for School Executives, which provide the program structure and purpose. The seven standards are as follows:

**Standard 1: Strategic Leadership**
School executives will create conditions that result in strategically re-imagining the school's vision, mission and goals in the 21st century.

**Standard 2: Instructional Leadership**
School executives will set high standards for the professional practice of 21st century instruction and assessment that result in a no-nonsense accountable environment.

**Standard 3: Cultural Leadership**
School executives will understand and act on the understanding of the important role a school's culture contributes to the exemplary performance of the school.

**Standard 4: Human Resource Leadership**
School executives will ensure that the school is a professional learning community.

**Standard 5: Managerial Leadership**
School executives will ensure that the school has processes and systems in place for budgeting, staffing, problem solving, communicating expectations and scheduling that result in organizing the work routines in the building.

**Standard 6: External Development Leadership**
A school executive will design structures and processes that result in community engagement, support, and ownership.

**Standard 7: Micropolitical Leadership**
The school executive will build systems and relationships that utilize the staff's diversity, encourage constructive ideological conflict in order to leverage staff expertise, power and influence to realize the school's vision for success.

Requirements for an Add-On School Administration License
The School Administration Add-on Licensure Program is designed to prepare a select group of experienced educators for positions of administrative leadership in P-12 settings. Individuals holding a Master's Degree from a regionally accredited institution who have completed 3 years of teaching or other professional education experience or are employed by an LEA as an assistant principal may apply to the School Administration program for consideration for an add-on license in School Administration. The licensure-only protocol for this program reflects the standards for the school administration program, and an appropriate required program of study will be detailed in the successful applicant's letter of admission. Every student will be required to complete a supervised internship. In addition to completing any requirements prescribed by UNCP for the school administration license, an individual must also satisfy testing requirements for the license.

COURSES
EDNL 5030 Engaging our Families, Schools, and Communities
This course will combine the latest research in partnership building with practical approaches for identifying and structuring community support. Throughout the semester, the candidate will spend considerable time developing strategies for improved community support of schools. Course projects and assignments will be field-based, collaborative, and reflective best practices in constructivist teaching and learning. Credit: 3 semester hours.

EDNL 5710 Analyzing Educational Issues
This course provides students with opportunities to critically analyze current educational issues from a variety of perspectives and disciplines including education, history, philosophy, anthropology, sociology, law, and political science. Credit: 3 semester hours.

EDNL 5720 Ethical and Societal Aspects of Educational Leadership
This course examines educational leadership through an analysis of the relationship of personal values and the core values of society to education. There is emphasis on understanding of and sensitivity to the societal dimension of educational decision making. Credit: 3 semester hours.

EDNL 5730 School Based Management
The candidate will develop effective management strategies for school operations, understand management complexities that impact decisions related to the use of instructional time, evaluating instruction, fiscal responsibility, and resource management, internal and external communication, and public school law mandates. Credit: 3 semester hours.
EDNL 5800 Supervision and Instructional Leadership
In this course, candidates focus on developing an understanding of the essential elements of developmental supervision, quality instruction, and effective learning. Particular attention is focused on knowledge and application of effective leadership models and styles for implementing quality instruction. Candidates develop supervisory skills they can use to strengthen the instructional program in schools by facilitating and supporting the professional development of teachers in order to improve student learning. Credit: 3 semester hours. PREREQ: Completion of 15 hours of graduate work.

EDNL 5850 Curriculum Leadership
In this course, candidates focus on the implementation of curriculum and the leadership skills necessary to accomplish this effort. Students will develop strategies for implementing new curriculum. Opportunities to apply “best practices” to improve curriculum, instruction, and assessment in classrooms and schools will be explored. Credit: 3 semester hours.

EDNL 5860 Legal Aspects of Educational Leadership
