STUDENT HOUSING AND RESIDENCE LIFE

Housing and Residence Life is an integral part of the educational program at UNCP. Campus housing is considered to be more than merely a place to sleep; it is “home” for many students. The University’s aim is to provide housing that offers an environment conducive to studying and to provide an opportunity for each student to develop socially and academically. Especially mature, well-qualified students are employed as Resident Advisors. The RAs live within the residence halls and are available to provide information, assist with the transition to on-campus living, and assist with developing community.

Campus housing is located within walking distance of all campus facilities including classrooms, library, dining hall, snack bar, student center, bookstore, post office, and recreational facilities. A wide selection of campus recreational facilities and programs is available to all students. Students are encouraged to become involved in the different activities and student organizations on campus.

A Housing Agreement/Application must be completed by all students entering UNCP who request to live on campus. An application can be obtained from the web site at www.uncp.edu/housing or by contacting the office at The University of North Carolina at Pembroke, P.O. Box 1510, Pembroke, NC 28372-1510. This application and a $150 deposit must be on file before a room assignment can be considered. All students moving into campus housing must have paid room and board fees before keys can be issued to rooms. Neither returning students nor new students will be guaranteed a specific roommate, a specific room, or a specific assignment.

Room and Board are available during both terms of the Summer Session.

Through programs like B.E.A.D. (Brave Educators Advocating for Diversity), which is a student-led diversity educators initiative, the Social Justice Symposium, and the annual A Taste of iWorld, a celebration of UNCP’s cultural diversity that consists of various displays presented by UNCP students, faculty, and staff which represents their respective cultural backgrounds, OMMA actualizes a dimension of the university’s core value of diversity by empowering UNC Pembroke’s diverse student populations and facilitating cross-cultural interactions through educational opportunities, programmatic initiatives for the university community, and adhering to the basis of respect and inclusion. OMMA is in the business of ensuring that every UNCP student is equipped and linked to the right resources and services that the University and community at large have to offer. OMMA is located on the first floor of historic Old Main, in the Multicultural Center, Office 128. Office hours are 8:00 am - 5:00 pm, Monday-Friday.

Multicultural Center: The UNC Pembroke Multicultural Center seeks to promote the globalization of the campus by providing a means to increase awareness about other cultures and to help people from other cultures have positive contact with the campus. The Multicultural Center strives to reach the first of these goals by providing special events, exhibits, and workshops that provide a glimpse of understanding into other cultures. In order to meet the second goal, the Center serves as a resource for all UNCP students, faculty, and staff. The Center is also available for scheduled meetings of student, faculty, and staff groups.

OFFICE FOR COMMUNITY AND CIVIC ENGAGEMENT

The Office for Community and Civic Engagement (CCE) is located in historic Old Main, Suite 124. The CCE office strives to enrich our students’ educational experience through active, engaged service and volunteer opportunities. Its goal is for every UNCP student to become a responsible citizen. The CCE office develops educational experiences for college students to engage responsibly in civic activities that help them recognize their civic duty and potential. Students gain a contemporary perspective of active citizenship through educational programs, community service projects, and volunteer opportunities.

The CCE curriculum includes the Justice through Service (JTS) campaign that provides education, awareness, and service opportunities for students to become actively engaged in social justice issues and civic responsibility. The JTS Speaker Series exposes students to civic leaders who impact change in their communities through service. Students are encouraged to participate in volunteer and monthly service opportunities through the CCE office, as well as student clubs and organizations. Students may receive awards and recognition for community and civic engagement at the annual citizenship celebration. A student may request an Active Service and Student Engagement Transcript (ASSET) that documents her or his participation in service activities and civic education development. The ASSET includes information about the student’s participation in volunteer opportunities and community service, along with detailed information about each community and campus service project completed by a student. The ASSET will complement the student’s résumé and academic transcript.
Office for Service Learning: The Office for Service Learning is located within the Office for Community and Civic Engagement (CCE) in Old Main, Suite 124. Service-learning is a teaching and learning strategy that enriches academic and life-long learning by engaging students in meaningful service to the community while gaining valuable knowledge and skills that integrate with course objectives. The service is integrated with instruction and reflection to enrich the learning experience, teach civic responsibility, and strengthen communities. At UNCP, faculty and students take part in service-learning to enhance learning and achievement in a wide variety of majors and minors, supported through a partnership between UNCP’s Office for Academic Affairs and Division of Student Affairs.

Students enrolled in service-learning courses are provided with opportunities to apply the concepts, skills, and information learned in the classroom to real world problems in the community. In addition, service-learning gives students the opportunity to develop personal goals and values at the same time accomplishing academic goals. Service-learning empowers students to take part in the life of their communities, as informed, active, and engaged citizens.

Greek membership provides resources for mentorship, and career services. UNC Pembroke hosts a number of Greek chapters designed to provide a great fit for students.

The purpose of the various Greek Governing Boards is to provide self-governance to all Greek organizations through decisions made by peers. The Greek Governing Boards provide autonomy to all Greek chapters on campus. STUDENT SERVICES

INTERCOLLEGIATE ATHLETICS

The University of North Carolina at Pembroke excels in athletics in both men’s and women’s competition. Recognition is achieved through competition in the Peach Belt Athletic Conference, and the National Collegiate Athletic Association (NCAA Division II). Eight men’s sports and eight women’s sports give UNC Pembroke recognition at the local, state, and national levels. Men’s varsity sports are sponsored in baseball, basketball, cross country, football, golf, soccer, track and field, and wrestling while women’s sports include basketball, softball, volleyball, cross country, track and field, tennis, golf, and soccer. In addition to varsity sports, the Athletics Department also provides support to the Spirit Program (cheer and dance).

The purposes of the intercollegiate athletic program at The University of North Carolina at Pembroke are to promote the roles of athletics in support of the stated mission of the University
and to promote the education and development of students through participation in intercollegiate athletics. Such participation is seen as a direct contributor to “education as a lifelong experience,” an experience which enhances and enriches the social and physical lives of students. The athletic program encourages broad student involvement and is committed to protecting and developing the physical and educational welfare of the student-athletes who participate as players as well as the students who participate as spectators.

Student-athletes are expected to strive toward becoming effective, contributing members of society, to be positive role models both on campus and in the university community, and to carry out their academic responsibilities as they follow a normal progression toward meeting requirements for a degree.

The Peach Belt Conference begins its twenty-first year as an all-sports conference this fall. In 1991, the conference held championships in men's and women's basketball, but now conducts championships in thirteen sports. As a conference, the Peach Belt has been very successful at the national level with twenty-three National Championships. UNC Pembroke has been very competitive in the Peach Belt Conference. UNC Pembroke's history is steeped with a very rich tradition, while the University's programs have seen success at the conference level and have advanced to compete at the national level.

Athletic grants-in-aid, as established by the NCAA, are offered in all of UNCP's intercollegiate sports programs for both men and women upon recommendation of the head coach and approval of the Director of Athletics.

PARKING AND VEHICLE REGISTRATION

Each motor vehicle, including two-wheeled vehicles, driven or parked on campus by students,
faculty, or staff must be registered with the Traffic Office and must display a valid parking permit. Fees are established annually and appropriate notification is provided.

North Carolina Senate Bill 627 requires all students to submit proof of motor vehicle insurance prior to purchasing a parking permit. In order to comply with this legislation, students must provide the following: 1) Name of Insurance Company; 2) Policy Number of Insured; and 3) Certification that the insurance meets the minimum needs established by North Carolina: $30,000 for bodily injury to one person, $60,000 for bodily injury to two persons or more, $25,000 for property damage.

All students, faculty, and staff members are subject to traffic rules and regulations. It is each individual’s responsibility to obtain a copy of the Traffic Rules and Regulations when registering a vehicle. These regulations are strictly enforced by the campus police. Fines must be paid before any records will be released from the University. Conviction of a violation of the traffic laws while operating a vehicle on campus has the same effect on your driver’s license as a conviction for the same offense on the public highways. The speed limit on campus is 20 mph and is enforced.

It is a privilege and not a right for a person to keep or operate a motor vehicle on campus. Each student, faculty, or staff member must agree to comply with the traffic rules and regulations before keeping or operating a vehicle at The University of North Carolina at Pembroke. The University reserves the right to withdraw motor vehicle privileges from any person at any time.

Parking facilities on campus are limited and on occasions there will not be sufficient parking spaces available to accommodate all vehicles in their respective legal parking zones. In such instances, the driver concerned IS NOT PERMITTED to park in an illegal or restricted zone. All parking fines are due to be paid within fifteen (15) days of the issuance date, unless they are appealed within those fifteen days. If appealed, payment of assessments will not become due until notification of the Traffic Appeal Board to the person being assessed of its decision not to reverse the citation, at which time payment must be made within fifteen (15) days. Information regarding the Traffic Appeal Board is contained in the Traffic Rules and Regulations Handbook.

The Traffic Office can be reached weekdays at 910-521-6795, or contact the University Police at 910-521-6235.

STUDENT RIGHTS AND RESPONSIBILITIES

1. Student Rights and Responsibilities

1.1 Students attend UNCP as a voluntary act and accept substantial benefits which the State of North Carolina provides. In taking such action, and accepting the benefits which accrue, students must accept the rules and regulations that have been developed pursuant to law.

1.2 Upon enrollment, a student receives no sanctuary from obedience to law. A student is not entitled to greater immunities or privileges before the law than those enjoyed by other citizens generally. In addition to the federal, state, and local laws that pertain to all citizens, a student must accept the institutional rules and regulations necessary to accomplish the purposes for which the institution was established. The student does not, however, lose constitutional or legal rights by an act of voluntary enrollment. The University of North Carolina Policy Manual (700.4.1) specifically refers to the important right of a fair hearing and due process. Federal and state statutes and court cases have established certain student rights which are not to be infringed upon, except in situations which are themselves outlined in law and court procedures. Among these are:

1.2.a No student may be denied access to university facilities or programs on the basis of race, color, national origin, religion, sex, age, sexual orientation, disability, or because of the individual’s honorable service in the Armed Services of the United States.

1.2.b No student may be denied the protection of the First Amendment of the Constitution of the United States and Article I of the Constitution of the State of North Carolina, which refer to freedom of speech, freedom of religion, freedom of the press, and freedom to assemble peacefully.

1.2.c No student may be denied the continuance of his/her education for disciplinary reasons without being afforded the right to due process.
2. Additional Rights Recognized by UNCP

2.1 The right to read and study free from undue interference in one’s room. (Unreasonable noise and other distractions inhibit the exercise of this right.)

2.2 The right to sleep, the right to one’s personal belongings, the right to free access to one’s room and suite facilities during the period that the residence halls are open, the right to a clean environment in which to live. (Optimum physical conditions are essential, as they support, reinforce, and provide positive conditions in which to learn and live.)

2.3 The right to redress of grievances. If the academic and residence hall communities are to function in the most educationally profitable manner, the right to initiate actions and referrals for impartial and fair adjudication of grievances is held paramount. In exercising this right, the student further holds the right to be free from fear or intimidation, physical and/or emotional harm, and without imposition of sanctions apart from the due process.

2.4 The right to personal privacy. All persons should have freedom from interference with their personal activities and should be able to maintain privacy for other than academic reasons.

2.5 The right to host guests. All students should have the opportunity to maintain personal contacts and friendships with other persons to fulfill their needs for socialization. Guests are to respect the above stated rights of the host’s roommates and of other residents.

All students are responsible for conducting themselves in a manner that helps enhance an environment of learning in which the rights, dignity, worth, and freedom of each member of the academic community are respected. All students must report, in writing, any federal, state, or local criminal charges and/or dispositions of criminal charges to the Office of Student Conduct.

1.2 According to the By-Laws of the Board of Trustees of The University of North Carolina at Pembroke (POL 01.05.01), ratified in March of 1968, the administration of the University is responsible for all phases of student discipline. THE UNIVERSITY OF NORTH CAROLINA AT PEMBROKE
DRUG AND ALCOHOL POLICY

1. Introduction

1.1 This policy is adopted by the Board of Trustees of The University of North Carolina at Pembroke in conformity with the direction of the Board of Governors of The University of North Carolina. It is applicable to all students, faculty members, administrators, and other employees. This policy is also intended to comply with the requirements of the Drug-Free Schools and Campuses regulations of the U.S. Department of Education.

1.2 The University of North Carolina at Pembroke (the “University” or “UNCP”) is dedicated to providing a work, study, and recreational environment that does not include illegal drugs, abuse of prescription medications, or excessive use of alcohol. All students, staff, faculty, and guests are viewed by the University as individually responsible and legally accountable for their actions. The illegal possession, sale or use of drugs, including alcohol, adversely affects the academic community. Toward that end, the University notifies in writing, the parents of students under the age of 21 of such offenses.

1.3 In addition, students should be aware that the UNCP Student Code of Conduct extends to any student whose conduct on or off campus becomes unsatisfactory and is determined to have a detrimental impact on the mission of the University. Students whose behavior off campus requires the involvement of law enforcement or other authorities may be subject to appropriate judicial sanctions from the university. This behavior includes being intoxicated in public, displaying, driving under the influence, or illegally possessing or using alcohol, or providing alcohol to students under legal age. Manufacturing, selling, using, or possessing narcotics, barbiturates, amphetamines, marijuana, sedatives, tranquilizers, hallucinogens, and/or other known drugs and/or chemicals is included in this code, as is buying, selling, possessing, or using any kind of drug paraphernalia or counterfeit drugs.

2.2 Committee on Substance Abuse Prevention (CSAP)

2.2.1 The CSAP is a comprehensive and interdisciplinary team of campus and community professionals as well as students that provides informed guidance and advises the University community with coordinated drug-related education, prevention, and intervention services. The term “drugs” includes both legal drugs (i.e., alcohol, prescription medications, over-the-counter medications, nicotine, caffeine, etc.) and illegal drugs as covered by the Controlled Substance Act (N.C.G.S. 90-88 et. seq.). CSAP defines itself as an advisory board for the prevention, intervention, and education policies and activities concerning the use and/or abuse of tobacco, alcohol, and other
drugs. A staff member of the Counseling and Testing Center serves as chairperson of CSAP. CSAP activities encourage individuals to:

2.2.1.a Value and maintain sound health.

3. Institutional Policy on Drugs and Alcohol

3.1 Individuals who suspect they may have a drug or alcohol problem are encouraged to seek help through the CTC or EAP before the problem affects their academic performance, work performance or conduct. Anyone reporting to class/work under the influence of alcohol or illegal drugs or using alcohol or illegal drugs on the job may be suspended or dismissed without warning. In addition to disciplinary action by the University, violation of the University’s drug-free policy may be cause for criminal prosecution by government or law enforcement agencies.

3.2 The illegal possession, sale, or use of drugs, including alcohol, will not be tolerated at the University. Violation will result in sanctions which may include dismissal from employment and the termination of student status (suspension or expulsion). The University may impose sanctions if it is proven by a preponderance of evidence that a violation has occurred. Students, faculty and staff are subject to federal, state, and local laws as well as University rules and regulations. Members of the University community are not entitled to greater immunities or privileges before the law than those enjoyed by other citizens generally. Although the University reserves the right to impose more severe sanctions for any violation of its Drug and Alcohol Policy as circumstances may warrant, the
minimum penalties that may be imposed for particular offenses are set out herein below.

The Chancellor of The University of North Carolina at Pembroke reserves the right to approve the use of alcoholic beverages (including kegs or beer) at special functions, provided appropriate permits are obtained from the North Carolina Alcoholic Beverage Control Commission.

3.3.7 In an effort to create sanctions for the violations to the University alcohol and drug policy that reflect UNCP’s commitment to reduce underage and high-risk drinking and adherence to N.C. General Statute § 18B-302, the following will be enforced on a case-to-case basis. Minimum sanctions against students for underage consumption or possession/public display of alcohol:

this law may be fined $500, imprisoned for 6 months, or both. Any person 21 years or older who aids
or abets an underage person to violate this law may be fined $2000, imprisoned for 2 years, or both.
(General Statute 18B-302) It is the policy of the University to cooperate with local law enforcement
who may be investigating incidents where violations of this law have been committed on and off
campus. Minimum sanctions for students over 21 who provide alcohol to minors:

3.3.9.a Offenders will participate in a drug education and/or counseling program

future classes or graduate. Failure to keep campus drug education/counseling appointments will result
in a $25 fee for each missed appointment.

3.3.11 Guests in violation of this Drug and Alcohol Policy shall be required to leave
campus and could face additional sanctions, including arrest and criminal charges. Students who
have guests on campus are responsible for their guests at all times and will be held accountable for
their guest’s actions.

3.3.12 Penalties for employees who violate any applicable laws or University policies
regarding illegal possession or use of alcohol or provision of alcohol to persons under 21 years of age
will be determined on a case-by-case basis and will cover the entire range of penalties available to the
University as an employer, including but not limited to suspension and discharge from employment.

3.4 Social Host Liability Law

3.4.1 In addition to the substantial criminal penalties for furnishing alcohol to an underage
person and/or helping an underage person obtain alcohol, individuals and student groups serving
alcohol to friends or guests should be aware that if:

3.4.1.a A person serves an alcoholic beverage to someone whom the server knew, or
should have known, was under the influence of alcohol, and
3.4.1.b The server knew that person would shortly thereafter drive an automobile;
a jury could conclude, some injury could result from the negligent conduct. This
means that, if someone is injured by a drunk driver and sues the person(s) who served
the driver alcohol, a jury might find that the server(s) were partly responsible for the
injuries and order the server(s) to pay substantial damages to the injured person or his/
her estate. Significant personal consequences could result to the host or provider of
the alcohol. The above information is not intended as legal advice. If uncertain about
this issue, contact a private attorney.

3.5 Excessive and/or Harmful Use of Alcohol

3.5.1 Substance abuse, especially alcohol abuse, is a significant problem on university
campuses. The University strives to create a healthy academic and social environment that states high-
risk or underage drinking will not be tolerated. Excessive and/or harmful use of alcohol is any abuse
of alcoholic beverages, as determined on a case-by-case basis by the Director of Student Conduct.
Examples of excessive and/or harmful use of alcohol include, but are not limited to:

3.5.1.a Use of alcohol which leads to medical consequences such as passing out,
blackouts (loss of memory), gastritis (vomiting, retching), physical injuries, or other
medical problems.
3.5.1.b Use of alcohol in association with inappropriate behavior.
3.5.1.c A pattern of episodes of alcohol related violations of the Student Code of
Conduct.
3.5.1.d A single episode of intoxication in which the Director of Student Conduct
or his/her designee believes that the level of alcohol consumption posed a risk to the student's health or well-being. Students who fall under this category of policy violation may be referred to the Emergency Health and Safety committee if their behavior is deemed a safety risk. (Section V, Administrative Policies of the Student Handbook)

3.6 Illegal Possession of Drugs and/or Paraphernalia by UNCP Students, Staff, and Faculty

3.6.1 Illegal drugs and drug usage definition: The usage (including but not limited to consumption, injection, smoking/inhalation, etc.), manufacture, possession, or distribution of illegal drugs or significantly mind-altering substances, pharmaceutical and otherwise (including salvia divinorium, medical marijuana, and synthetic forms of banned substances, including but not limited to, K2, Spice, Black Magic, etc.); inappropriate/illegal use or distribution of any pharmaceutical product; being in the presence of others while the above mentioned drug use is occurring; or possession of drug paraphernalia, including bongs.

3.6.2 For a first offense involving the illegal possession or use of any controlled substance identified in Schedule I, N.C. General Statutes § 90-89, or Schedule II, N.C. General Statutes § 90-90, (including, but not limited to, heroin, mescaline, lysergic acid diethylamide, opium, cocaine, amphetamine, methaqualone) the minimum penalty shall be suspension from enrollment and from employment for a period of at least one semester or its equivalent. Employees subject to the State Personnel Act are governed by regulations of the State Personnel Commission. Minimum penalties for this offense exceed the maximum period of suspension without pay that is permitted by the State Personnel Commission regulations, so the penalty for a first offense for employees subject to the State Personnel Act is discharge from employment.

3.6.3 Students who receive an offense involving the illegal possession or use of any controlled substance identified in Schedules III through VI, N.C. General Statutes § 90-91 through 90-94, (including, but not limited to, marijuana, rohypnol, phenobarbital, codeine) and/or the possession of drug paraphernalia, the minimum penalty shall be:

3.6.3.a 1st Offense - Conduct Probation, for a period to be determined on a case-by-case basis and mandatory participation in a drug education and assessment program (currently $100 for students) and parental notification. This does not preclude criminal action from being initiated.

3.6.3.b 2nd Offense – For a second or other subsequent offenses involving illegal possession of controlled substances identified in Schedules III-IV, progressively more severe penalties shall be imposed; for students, the minimum penalty cannot be less than be suspension for a period of at least a semester; more severe penalties may be imposed, including expulsion. To be readmitted after a suspension, the student (at his/her own expense) must submit documentation of completed drug education and assessment at least equivalent to that which would have been received at the university, multiple negative drug tests over a period of time and meet such other conditions as the University may require. This does not preclude criminal action from being initiated.

3.6.4 Campus mandatory drug education/counseling for students must be completed within 40 business days of the initial referral; if not, the student must complete an approved off-campus drug education/counseling program at his/her own expense before being permitted to register for future classes, transfer, or graduate. Failure to keep campus drug education/counseling appointments will result in a $25 fee for each missed appointment. This fee applies to all referred offenders from campus police, student affairs, and athletics.

3.6.5 For second or other subsequent offenses involving controlled substances, progressively more severe penalties shall be imposed; for students, the minimum penalty cannot be less than suspension for a progressively longer term; more severe penalties may be imposed, including expulsion of students and discharge of employees. To be readmitted after a suspension, the student (at his/her own expense) must submit documentation of multiple negative drug tests over a period of
time and meet such other conditions as the University may require.

3.6.6 Section 483 of the Federal Higher Education Amendments of 1998 states: “A student who has been convicted of any offense under Federal or State law involving the possession or sale of a controlled substance SHALL NOT BE ELIGIBLE TO RECEIVE ANY GRANT, LOAN, OR WORK ASSISTANCE under this title during the period beginning on the date of such conviction” and lasting for one year, two years, or indefinitely, depending on the offense.

3.6.7 Penalties for employees who violate any applicable laws or university policies regarding illegal possession or use of any controlled substance identified in Schedules III through VI, N.C. General Statutes 90-91 through 90-94, (including, but not limited to, marijuana, rohypnol, phenobarbital, codeine) and/or the possession of drug paraphernalia will be determined on a case-by-case basis and will cover the entire range of penalties available to the university as an employer, including but not limited to, probation, suspension, and discharge from employment. If an unexpired balance of the prescribed period of probation for an employee subject to the State Personnel Act exceeds the maximum period of suspension without pay permitted by the State Personnel Commission regulations, that employee shall be discharged.

3.7 Trafficking in Illegal Drugs by UNCP Students, Staff, and Faculty

3.7.1 For the illegal manufacture, sale or delivery, or possession with intent to manufacture, sale or deliver, any controlled substance identified in Schedule I, N.C. General Statutes 90-89 or Schedule II, N.C. General Statutes 90-90 (including, but not limited to, heroin, mescaline, lysergic acid diethylamide, opium, cocaine, amphetamine, methaqualone) any student shall be expelled and any employee shall be terminated.

3.7.2 For a first offense involving the illegal manufacture, sale or delivery, or possession with intent to manufacture, sale or deliver, any controlled substance identified in Schedules III through IV, N.C. General Statutes 90-91 through 90-94, (including, but not limited to, marijuana, rohypnol, phenobarbital, codeine) the minimum penalty shall be suspension from enrollment or employment for a period of at least one semester or its equivalent. Employees subject to the State Personnel Act are governed by regulations of the State Personnel Commission. Minimum penalties for this offense exceed the maximum period of suspension without pay that is permitted by the State Personnel Commission regulations, so the penalty for a first offense for employees subject to the State Personnel Act is discharge from employment.

3.7.3 For a second offense, any student shall be expelled and any employee shall be terminated.

3.8 Abuse of Prescription and/or Over-the-counter Medications

3.8.1 The abuse of legal medications can lead to serious health complications for the user. Abuse of some medications can also lead the individual to exhibit behavior which is dangerous to self and others. The University strongly supports efforts of individuals to change maladaptive behavior and offers services through both the Counseling & Testing Center, the Student Health Services, and EAP. Continued abuse and disruptive behavior may result in disciplinary action.

3.9 Hazing by UNCP Students and Student Groups

3.9.1 The North Carolina General Statute (14-35) defines hazing as follows: “to subject another student to physical injury as part of an initiation, or as a prerequisite to membership, into any organized school group.”

3.9.2 Hazing violations involving drugs and/or alcohol will be required to participate in the campus mandatory drug education/counseling program as well as incur all costs associated with the program.

3.10 Suspension Pending Final Disposition

3.10.1 A student, faculty member, administrator, or other employee charged with a violation of this policy may be suspended from enrollment and employment before initiation or completion of regular disciplinary proceedings if, assuming the truth of the charges, the Chancellor or his/her designee concludes that the person’s continued presence would constitute a clear and immediate danger to the health or welfare of any member of the University community. When a
suspension is imposed, an appropriate hearing of the charges against the person suspended shall be held as promptly as possible.

### 3.11 Process for Imposition of Penalties

3.11.1 Students, faculty, and staff are subject to all local, state, and federal laws relating to drug use and possession. Action on the part of the University is based upon its right to carry out its appropriate mission and is not designed to be merely punitive. University action is not dependent upon and does not preclude criminal or civil action in the courts.

3.11.2 Penalties will be imposed by the University in accordance with procedural safeguards applicable to disciplinary actions against students, faculty members, administrators, and other employees, as required by Section 502 D(3) and Section 603 of the University Code; by the Board of Governors policies applicable to other employees exempt from the State Personnel Act; and by regulations of the State Personnel Commission. Faculty should refer to section 4, page 63, “Due Process Before Discharge or the Imposition of Serious Sanctions for Tenure Track Faculty” and section 11, page 201, in the Faculty Handbook. Students should refer to the Student Government Association Constitution in the Student Handbook, Volume III, “The Adjudication Boards.” SPA employees should refer to the State Personnel Manual, Section 7, “Discipline, Appeals, and Grievances” and UNCP’s “SPA Employee Grievance and Appeal Policy.” EPA employees should refer to the UNCP handbook for EPA employees, “Personnel Policies for Employees Exempt from the State Personnel Act, UNCP,” Section IV.

4.1.a **Alcohol**: (medically classified as a depressant) Central nervous system depression, impaired judgment, liver damage, malnutrition, pancreatitis, lowered immunities, and severe birth defects in babies whose mothers used alcohol during pregnancy. An overdose may result in a coma and death.

4.1.b **Cocaine**: Anxiety, insomnia, paranoia, perforation of the nasal septum, seizures, cardiac arrest.

4.1.c **Depressants**: (e.g., Librium, Xanax, Valium) Central nervous system depression, staggering gait, visual disturbances, lethargy, dizziness, and nausea or death.

4.1.f **Marijuana**: Increased heart rate, lowered body temperature, impaired coordination, appetite stimulation, weakened immune system, increased risk of throat/lung cancer, and speech/memory/learning distortions. Long term use may result in short term memory loss, amotivational syndrome, and reproductive system abnormalities.

4.1.g **Narcotics**: (e.g., codeine, heroin, morphine) Shallow breathing, reduced sex drive, apathy, anxiety, mood swings, nausea, and respiratory depression. An overdose may induce a coma, convulsions, respiratory arrest or death.
