The Friends of the Library of UNCP Pembroke celebrated their 10th annual benefit with “Tear Heel Tales and Tunes at the Library” April 8, raising approximately $12,000 factoring in the sale of the silent auction items going on now.

The annual event marks the 20th year of Friends of the Library and their work at the university. The money raised from the benefit helps to fund scholarships awarded to UNCP students by the Friends of the Library.

The benefit included several food stations, a silent auction, live auction and entertainment provided by Emmy award winning journalist and internationally acclaimed composer and musician Bill Leslie.
