The UNCP men’s soccer team fought long and hard but did not overcome the North Georgia Saints in two overtimes in its last game of the season.

The game ended in a scoreless tie thanks largely to both teams’ defensive skills. The tie puts the Braves at 5-8-4 for the season.

Braves' easy 9-0 victory.

The game against North Georgia was the largest win of the season for the men’s program. The win was the largest margin of victory in 24 years for the men’s program, while the nine goals were the most by UNCP since moving into the NCAA Division II category in the 1992 season.

The Braves have now outscored Chowan 21-0 in the all-time series between the two teams after the matchup.

In addition to Tomter’s three goals, five other UNCP players scored in the game, with senior Andrew Brown scoring a pair of goals and tallying an assist. Junior Michael Davis scored his first goal since the 2008 season, while freshmen Alex Antonescu, Ricardo Arias, and midfielder Jamie Gleeson each made three saves.

Aside from this incident, the game continued in deadlock. North Georgia forward Gray Phelps racked up two shots and two fouls, while the nine goals were the most by UNCP since moving into the NCAA Division II category in the 1992 season.
